I have been a resident here at Corning Care Initiatives for 4 years. The care I have ~~received~~ received has been very professional. The staff show compassion and caring in their treatment of all residents. I see them try to make everyone feel like they are part of a big family. There is a wide variety of care needed here, and they are ~~at~~ good at recognizing and dealing with each situation. Obviously there are times when it gets busy, but they adjust pretty well.

This facility is Very clean. I ~~had~~ <sup>have visited</sup> relatives living here off and on over ~~the~~ the last 40 years and have never seen this place as clean as it is now!

The food is exceptionally good ~~for~~ considering the number of meals they prepare. It's really kind of surprising, but ~~it's~~ true.

I'm very comfortable living here and feel that I have a welcoming family here. This is my hometown and I ~~do~~ feel we're fortunate to have this facility in our community.
